3. Experience the menteba soon

A screenshot of the menteba.com website. The page features a search bar at the top with the placeholder 'What are you looking for?'. Below the search bar, there's a sidebar with links to 'Home', 'Sign In→', 'English', 'Depression Help', 'Elderly Care', 'Anxiety disorders', 'Financial Challenges', 'Anxiety Relief', 'Stress Management', and 'Exam Performance'. The main content area displays several user posts in a grid format. One post by 'Allwin' says 'Depressed cuz India lost the match...' with a timestamp of '22-11-2023 06:03 AM'. Another post by 'Smooth you' says 'a group of dotted structure things makes me scare' with a timestamp of '25-11-2023 02:10 AM'. A third post by 'Smooth you' says 'i really dont know, how i am gonna get job' with a timestamp of '05-01-2024 10:33 AM'. At the bottom of the page, there are sections for 'NEED HELP' (Contact Us, FAQs), 'COMPANY' (About Us, Sitemap, highlighted with a green box), 'Policy' (Terms & Conditions, Privacy Policy), and 'Payment' (Returns & Refunds). There are also links to download the app from Google Play and the App Store, along with social media icons for Facebook, Instagram, YouTube, and Twitter. A large green watermark 'SOON' is overlaid across the bottom right of the page.

4. Double message while posting question - seeker

5. The wrong wording

Notification - wording -

1. Push notification- sorry ! past date not allowed
2. Your session has expired . Please log in again
- 3 . Update your bit value for private chat purposes !!!

4. Private chat successfully scheduled

This is your reminder that your appointment has fixed

This wording should be changed

8. IMPORTANT THING- WRONG WORDS if anything missed . try modify with google
Mostly in push notification wording is wrong

9 . private chat mail is coming two times - spamming in gmail

10. The notification link should redirect

11. Welcome notice mail should be prompt - check whether every mail is ok

12 . remove comments in every question

13. Check whether every fatal error is rectified

14, check the site every option working

15. CHECK THE NOTIFICATION WORDING AND CHANGE IT , according

Subject: Private Chat Reminder
Dear 7026 John,
Topic:I couldn't control my anger issues
Description : For past few years - I am facing frequent anger issues. For small issues also , I am getting more tensed upon the situation , due to it - relationship with my family is getting apart . I am facing often mood swings due to it . I couldn't concentrate on my works to the fullest . I need to control my anger issues and need my old peaceful life back
